## **ART SCRIBES AWARD 2026-27**

### **OBJECTIVE**

Designed as an annual art writer's award, an eminent, rotating jury consisting of art critics and curators is assigned the task of choosing an applicant who has demonstrated a sustained commitment to research, conceptual frameworks and art history in their writing practice, as the recipient of the award. Applications are received via open call as opposed to nominations to ensure equal opportunity.

The chosen writer, in partnership with Institut Français and as part of the Villa Swagatam residency programme, is awarded a month-long curatorial residency at the La Napoule Art Foundation in order to help them apply their critical acumen in curatorial research. This is part of PRAF's emphasis on encouraging research, criticality and innovation within curatorial narratives, especially among young/emerging curators. Their research and writing during this time will ultimately lead to an exhibition curated by them in New Delhi. Residency costs including flights to France, accommodation, visa expenses and per diem will be covered on behalf of the resident.

### **ABOUT LA NAPOULE ART FOUNDATION**

Marie Clews founded La Napoule Art Foundation in 1951 in memory of her husband, a prolific sculptor. For over sixty years, LNAF has hosted performances, residencies and exhibitions at the Château de La Napoule by artists the world over. La Napoule Art Foundation offers time and space for creative minds to engage in cultural interchange and meaningful work that impacts the world of the common good.

Among them and in collaboration with the Art Scribes Award, La Napoule Art Foundation is dedicated to critical writing and curatorial practice.
